

**\$156,375**

**Contract Awarded**

Recent Air Force awards valued in excess of \$52.4 million dollars have been received by eighteen firms in the Los Angeles Air Procurement District including the Lombard Corp. of Youngstown, Ohio, who received \$156,375 for installation of a press in the Torrance area.

Awards of major Air Force contracts are made by Air Materiel Command as part of its activities as the world-wide procurement, supply and maintenance source for the entire Air Force.

**Ben Solomon To Speak on Recreation**

For the third successive year, Ben Solomon, well known New York State authority on public relations, will return to Los Angeles County for a series of Recreation Institute lectures from March 12 to 18.

Plans for the five-day lecture program were announced this week by Norman S. Johnson, LA County Superintendent of Parks and Recreation.

The Solomon appearance will be co-sponsored by recreation departments of several cities in the county including the Torrance Recreation Department.

One of the 1956 Ben Solomon lectures will be held in the Compton Community Center, 123 N. Rose Ave., on Thursday, March 15.

Solomon is recognized for his grasp of the recreation needs and problems throughout the nation.

**Name Rocco Manager for McCarthy**

August Rocco has been promoted to branch manager of the McCarthy Company's branch at 1872 Pacific Coast Hwy., Lomita, serving the Torrance, San Pedro, and Palos Verdes areas, according to Robert O. Reilly, assistant sales manager of the city wide realty company.

Rocco, a native of Pennsylvania, came to California in 1947. He speaks Italian fluently, and is an ardent fisherman and baseball fan. He has been with the McCarthy Co. since February, 1954, as a salesman in their North Hollywood and Gardena offices. Now residing in Torrance, he says it is a pleasure to do business with his neighbors.

Rocco states, "The McCarthy Company is giving me full financial backing to purchase houses direct from the owners, so the firm can redecorate and relandscape these properties and put them on the resale market on low down payments." Secondary financing is available to Rocco so the owners, listing their properties with the firm can cash out their equities and the buyers of the properties can buy them on smaller down payments than are usually available, thereby making it a specialty for the working man to buy on easy terms.

**Coordinating Group Forms Committees**

The Torrance Coordinating Council discussed the formation and function of five committees at their last meeting according to Juanita Cable, secretary.

The five committees will be Recreation for Youth and Adults; Youth Activities; Human Relations and Community Hospitality; Safety and Civic Improvement, and Health, Welfare, and Mental Hygiene.

Julius Klein, consultant on community relations, spoke to the group about the importance of the committee on health, welfare and mental hygiene.

Next meeting of the Coordinating Council will be held today from 7:30 to 9 p.m. at the Greenwood Elementary School.

**Toastmasters In Contest**

Torrance Toastmasters will enter their third heat Tuesday evening, Feb. 7, in the process of selecting a speaker to represent the club at the Area Speech Contest to be held Mar. 23.

At each meeting four speakers compete and one is selected by club members as the best speaker. The winner will enter the finals scheduled for Mar. 6.

Selected as finalists to date are Bill Evans of the Oca at Maples Ford Co., and Scott Albright of National Supply Co.
